Uncle Tom, there are not any words that I can think of to describe the way that I feel right now without your presence. You were the light in life that everyone needed to say that we all miss you is an understatement. I am happy that you are no longer in pain and you are at peace. May you enjoy eternity with your beloved Russ. I love you Uncle Tom.

Tom was a very good friend. We ushered at Church together and had breakfast together twice a week. What most folks don't know is that the last year and a half of my wife's life, Tom came to our house every Saturday morning from 9 to 12 so I could get a break. It was not asked of him, it was just because he cared. Will miss you Buddy!!
