## Barbara Myers

OCT 12, 1940 - AUG 21, 2023

**B**arbara Kaye Myers was born October 12, 1940, in Pleasantville, Iowa to Francis and Erma Maxwell. She passed away August 21, 2023, in Tulsa, Oklahoma.

Barb graduated from Hartford (Iowa) High School in 1959. She had 3 sisters- Beverly Raye, Bonnie Raye, and Brenda Maye. They were known as the 4 B's. While growing up in Hartford she was very active in 4H. While in 4H she learned how to sew along with showing cows. She went to Iowa State University for 2 years and studied fashion design. In November 1958, her future sister-in-law Joan introduced her to her brother Thomas Myers who was on his way to his next Navy duty station, Bremerhaven, Germany. While in Germany Thomas proposed to her and she accepted---by mail. They got married on June 5, 1961. Her husband, Thomas Myers, re-upped into the Navy and they were assigned to Virginia, and he was sent to a school in Pensacola Florida. While there her daughter, Marcella, was born. For the next 18 years Barbara and her family travelled the world. Tom retired from the Navy in 1979 and moved to Tulsa where they lived until their deaths.

Her love for sewing continued throughout her life. She made a lot of Marcie's clothes while she was growing up and made her wedding dress and all the bridesmaids dresses. She also made formals for her nieces when they needed them in college. Her sewing did not just include clothes, but she also made baby pizzas (baby playmats) and other crafts. While in Tulsa she found a group of people that shared her love of Angels, and she joined the angel club about 25 years ago.

She was preceded in death by her parents and her sisters, Beverly Gough and Brenda Koger and her husband Thomas Myers. She is survived by her daughter Marcella Brannon, of Tulsa, OK; her sister Bonnie Shupe of Ankeny and her brother-in-law Larry Koger of Malvern, Iowa and sisters-in-law, Joan Parker of Carlisle, Iowa and Sue Myers of Pleasantville, IA; and several nieces and nephews. She is also survived by her "other daughters" – Carole Lee, Karla Ford, Dana White and Debbie Fallis.

Aunt Barb gave the best hugs! She was a caring person, loved crafts (and was great at them), really good at sending out birthday and holiday cards, loved her family especially Marcie! She will be so missed!

Barbara and I met in 1985 at the Hallmark store in the outlet mall in Broken Arrow. She became a very close family friend not only to myself but also to my children. She made my oldest daughter's wedding dress as well as the bridesmaids dresses for the wedding. She also made my youngest son's bridesmaids dresses for his wedding. The most important thing is Barbara was always somebody special I could talk to and talk to whatever I was dealing with at the time. She holds a very special place in my heart. I will always love her.

I first met Barbara 'Mom' when I was just 11 years old when they moved into our neighborhood and she began selling Avon. She would come in and visit with my Mom and me and get to know us as a family and our life-long friendship began there. She was always so kind and caring and never missed an opportunity to provide support and encouragement. She was also my first 'boss lady' at the Card Circus in the old Outlet Mall in Broken Arrow and taught me so much about work ethic, customer service and people skills. She made me the most beautiful Senior Prom dress using a basic pattern and then using her creativity and sewing genius to add all the fluff and color a 1987 prom dress required! She also made the most beautiful bridesmaid dresses for us for Marcie's wedding. Barbara was one of my biggest supporters and encouragers and she helped me through some tough times by just being there with a smile and listening. I am truly blessed to be one of her 'other daughters'. Barb - I love you and miss you!

**Katherine Williams** sent a virtual gift in honor of Barbara.

I met Barbara through the Green Country Angel Society in Tulsa, OK. We had a Christmas Party in which we exchanged gifts. My gift was a 6 piece placemat set for my table. Barbara made them herself. I loved them so much I asked Barbara to make me 6 more so I could have a 12 placemat setting. She did this but would not let me pay her for them. This is Barbara to the T: Very compassionate, caring and giving. I will miss her so much! I will treasure the placemats forever! My prayers are with her family! May God keep all of you close to him and may he watch over you during this time. Katherine Williams and Mary Stella Garcia-in Grants Pass, Oregon
