My mother, Linda Nymeyer, spoke so highly of Patsy. I can also say that in all the years I worked with her, she did so much for Broken Arrow and for all the employees and students. This is a woman that understood "Customer Service". She poured her heart into making work a wonderful place to spend half our life. Patsy, you are so missed. To all those who love you, we thank you so much for sharing her with us, we are all better because she lived! All my love and on behalf of my mother, who went before her. I know, you now have some time to grab lunch! With utmost respect, Michelle Nymeyer Lewandowski

Patsy, I love you so much. Your kindness and your loving heart I will never forget. How you took care of big dog and little dog as you called them. The dogs that were abandoned at the old board of education building where you worked and I worked at as the night custodian. You loved Broken Arrow and served this community with everything in you. You have made a big impact on my life with the integrity that you have always shown. I know you are in heaven with your beloved Lord and your beloved Jim. Forever in my thoughts. I love you Patsy Brewer. Love, Debbie Newell

I worked with Patsy for several years at BAPS. She was a sweet and caring lady. And made the best banana pudding and chicken salad sandwiches, and to this day I make mine just like hers. Patsy will be greatly missed, but I know she had the best reunion with the love of her life, Jim. I'll never forget ya, Patsy! Never!

I moved from Broken Arrow after retiring. I just found out about Patsy's passing this morning. I loved knowing her. My brother played baseball in Majors same time as Jim. I have two precious ceramic pieces that Jim's Aunt made & would like to know if any family member would like them. I had Mark in my Language Arts at Central Jr. High in Broken Arrow!!!
