Ronnie was so caring, loving, gentle and bright. I will always cherish our memories - Our trips to the Illinois river, our park visits where you would hang out with me and push me on the swings for hours. You letting me drive your car around the empty parking lots when I was a kid. You taking me to the candy store every weekend and letting me pick out any one candy that I wanted. All of the intense OU games when you and Dad would get fired up. I'll never forget when you taught me how to ride a bike and when you first let go and I didn't realize you weren't right behind me. You always believed in me and I love you so much uncle Ronnie. Until we see each other again ☹️
