As you are laid to rest today, I can't say how grateful I am that we became great friends at FBCBA all those years ago. Not only did we become fast friends, but we had a bond and friendship that will last a lifetime! The fun we had with Miller and Grace when they were very young, to the couple date nights we had with Jon and Chris will be forever cherished! The lunch dates you and I had to Mexico Lindos while Miller and Grace were in school and all the laughter about life we shared! You are the best Melanie Ann Miller Godwin and I'm going to miss you like crazy! Who am I going to call during the silly reality shows we both watched? Although I'm extremely grateful you are no longer in ANY pain and you are with your loved ones in heaven now, it's going to be difficult to not hear your voice or see your beautiful smile here on earth. Love you forever! Shelly
