Alicia Stevenson shared a photo to the **Tribute Wall** album.

My beautiful Momma, I have so many memories I can't just narrow it down to one. I would do just about anything just to hear your voice, or even hear your car radio bumping around the block because that's how we always knew you were coming.. This picture was from when we went to the mall and you took Kolton on his first carousel ride.. You were truly my angel on earth, but now you get to be an angel in heaven. I love you for always, so much everyday.
