We are neighbors of our beloved "Mr. Burke". My 9 year old is struggling a lot knowing he won't be sitting out on the back patio anymore. She loved going over to pick tomatoes (his were the best!), chat with David and Barbara, and of course get a popsicle and peanuts in the shell! He is greatly missed by all of us! Here's a picture my daughter made last night as she is trying to grasp that she won't see him again. David, thank you for all the love you showed my girls and family!!
