Our bridge group who played with Glenda for many years have given a donation to the World Baseball outreach. There was no place on the form to place names of bridge players or the donation given in her name. She will be missed.

A wonderful dear friend for over 45 years. we are remembering all the great times with Glenda and Ray. Vacations with them to Hawaii, California, Colorado Skiing, and Numerous outings to the lake for fishing and skiing. Going to countless ballgames to watch our son and especially Brian and Stephani play. our involvement with Broken Arrow First Baptist Youth Dept and the countless overnight retreats at Glenda and Rays house where Glenda was always serving everyone. Finally who can ever forget Glenda's famous Fried Apple and Apricot Fried Pies. WE will miss her greatly. Leroy/Peggy Schuetts

I was very saddened to hear about Glenda's passing. I first met Glenda way back in 1965 when we all moved to Broken Arrow, Oklahoma from Oklahoma City, Oklahoma. My husband, Harry Horn, and Ray worked for TOX Trucking Company. We've been friends ever since. I remember doing lots of fun things with her, especially ceramics. She was such a kind and thoughtful person - always sent me birthday cards and flowers for every occasion. She was always so good to my kids and grandkids too. I will really miss her. My thoughts and prayers go out to her family and friends Virginia Horn

Those overnight retreats at their house and lake trips shaped me into the the person I am today! SO SO grateful for Glenda and ALL of you who poured into our lives!! For the record, she introduced me to biscuits and gravy at my first Disciple Now at her house a few short months after my family moved here from Michigan. I knew right then that I was right where I belonged! Kris Hersha-Schoeppey
