Vera was a very special lady and an inspiration to all who knew her. I was always impressed by how, even in her late 80s and 90s, she did alterations and kept up with her home and gardening. Truly amazing! She loved the Lord and I can just imagine what a fun reunion she is having with my mother and others who have gone on before.

Vera was a very Godly example. She always had a smile. So many great memories of going to church with her. Heaven was her goal. She's made it and was welcomed there by many friends and loved ones
