I loved to watch him and Wilma dance! They were so graceful and you could tell they loved dancing together! He was a dapper dresser and carried himself very elegantly plus he had a very engaging smile and manner. I've missed seeing him in Sunday School. I bet he and Wilma are dancing together again!...Eve O'Kelley

I always enjoyed the times Joe would sit by me in Sunday School. Both of us were Navy veterans though Joe was 5 older years than myself. He was such a nice guy and his conversations were always interesting. Unfortunately I think both of us reached a point where we were unable to attend church and SS.
