# **Autumn Celeste Owens**

MAR 31, 2024 - MAR 31, 2024

**A**utumn we hate that our time with you was short lived but some people say the smallest things take up the most room in your heart. We know our time with you was short but you let us experience something special. We know your life wasn't long but life doesn't need be long-lived for it to be meaningful and you brought so much to ours. Sometimes the best and most beautiful things in the world cannot be seen, nor touched, but are felt in the heart. Watch over us babygirl we love you.
