**I**n Loving Memory of Baby Andrew Joe Leon Taylor

Andrew Joe Leon Taylor, born into heaven on April 19, 2024, touched the hearts of those who knew him during his brief time on Earth. Although he never took his first breath, his spirit left an indelible mark on the lives of his family.

Baby Andrew was a lively presence even before his birth. He would respond with gentle movements whenever someone lovingly touched his mom's belly. His anticipation and connection were palpable, filling the room with hope and joy. On the day of Andrew's birth, the air was thick with love. His mother Chelsea Brashier was capturing precious moments through countless photographs. Andrew found a way to be part of these snapshots, forever etching his presence into their memories.

Andrew is now his momma's angel, watching over her from the heavens above. His memory will be cherished by those who held him close, even if only in their hearts. Andrew was survived by his mother Chelsea Brashier; grandma and grandpa Jody and Danny Taylor; grandma Linda Baker; aunts Shara Taylor and Ester McLaughlin; uncles Earl Baker Jr., Stoney Baker and his wife Jennifer, Arthur Baker, Ronnie Taylor and his wife Edith, Tyler Taylor, and Brian Field Jr.; great aunt Patricia Garrison and her husband Tony; great great grandma Tessie Mae Taylor; along with other family members and friends who will forever cherish his memory.

He is preceded in death by his three angel siblings; Grandpa Earl Baker Sr.; aunt Lacey Taylor; and cousin Alan Garrison.
