## Bill James Moon

NOV 29, 1930 - MAY 4, 2024

**B**ill James Moon, age 93, passed away on May 4th, 2024, in Tulsa, Oklahoma, surrounded by his caring family. Born on November 29, 1930, in Tulsa, Oklahoma, Bill was the son of Alanzo Moon and Louise (Blackwell) Moon.

Bill's life was marked by his unwavering commitment to the Navy. As a Navy veteran, he carried the Navy way throughout his entire life. His discipline, determination, and strong will were evident in everything he did. Bill was an early riser, always dressed and ready to take on the day. He rarely lingered in his pajamas or sat in front of a TV. Instead, he embraced life with vigor and purpose.

In addition to his military service, Bill was a skilled electrician and a dedicated teacher. He imparted his knowledge by teaching HVAC courses, sharing his expertise with others. Later, he opened his own HVAC business, serving countless individuals in his community. Bill's commitment to excellence extended beyond his family; it reached those he served through his business.

Above all, Bill cherished his family. His love for them knew no bounds, and he held them close to his heart. As we bid farewell to this remarkable man, we remember his legacy of service, resilience, and devotion.

Rest in peace, Bill James Moon. Your memory will forever live on in our hearts.

He is preceded in death by his wife Helen Moon; parents Alanzo and Louise Moon

He is survived by his children; grandchildren; great grandchildren; other family members and friends who will forever cherish the light he brought into their lives.

A celebration of life service will be held on Wednesday, May 15, 2024 at 2:00PM at Floral Havens Rose Chapel with Reverend Chris Thompson officiating.

In lieu of flowers please make a donation in Bills honor to the Battered Womens Shelter

As a fellow Navy veteran who helped Bill get his VA disability pension, Bill will always be remembered and never forgotten. Bill always kept a smile on both of my wife Lori and my faces. Bill's humor will be missed by all who knew him. God Bless you Bill for making life worth living... Stephen & Lori Hager
