Janet Claire Carpenter

APR 28, 1943 - AUG 6, 2024

With profound sadness, we announce the passing of Janet Claire Carpenter, who left us peacefully on August 5, 2024, at the age of 81.

Born on a spring day in 1943, Janet's life was a tapestry of vibrant threads — each color representing her fierce spirit, adventurous soul, and the love she had for the natural world. Her passion for animals knew no bounds; she was an advocate for their rights, dedicating countless hours to wildlife rehabilitation and dog training.

Janet's creative energy was boundless. She was an avid quilter, her hands weaving warmth and comfort into every pattern. Her love for sewing and crocheting created art with fabric.

A culinary maestro, Janet's kitchen was the heart of her home, where the aroma of her famous shrimp alfredo and comforting fried chicken brought the family together. Her recipes were more than food; they were expressions of love, leaving a legacy of cherished memories around the dinner table.

Her intellect was as sharp as her wit. A writer and poet, Janet captured the essence of life's complexities in her eloquent words. With a Bachelor's degree in Criminal Justice and English, she was a lifelong learner, pursuing her Master's degree with the same passion she approached all aspects of life.

Janet's journey was one of courage, love, and an unquenchable thirst for knowledge. She leaves behind a world enriched by her presence and a family that will forever remember her strength, laughter, and the indelible mark she left on all who had the privilege of knowing her.
