I have known Tonya for about 38 years. We worked together at Old Republic for years and became close friends. I moved back to Missouri years ago but our friendship remained solid. She was a sweetheart and a very dear friend. I will miss her. My heart is broken ❤️ My deepest sympathy to her family. I feel like I know all of you, hearing all about everyone through Tonya. 😊 I know she's with Doug now and her tears are gone. Love, Susan Epping

I remember going to my Uncle Doug and Aunt Tonya's wedding when I was a young child. I think that was the first wedding I went to. She always had a smile on her face and was always so kind to me even though she knew I was just a mischievous little boy. She is going to be missed by so many. I am sure she is enjoying her time in heaven with Uncle Doug.

Knew Tonya from Church on the Move, her smile was always so sweet to see as we walked into church and her kind words for a good week as we left. Will miss her but she is resting in Heaven with her husband .

Jackie & I have only known the lovely Tonya for 9 months, hosting with her for Saturday services at COTM, door #3. She quickly found her way into our hearts, and we've grown to love her. What a sweet and great lady! We were shocked when we heard she was in the ICU, and immediately started praying for her. Sometimes the Lord has other plans- sadly for us, but joyfully for Tonya. Now we're praying for your comfort & strength, Phyllis and Tom. You raised a wonderful woman and we will greatly miss her! John & Jackie Daries

I remember when I first met Tonya. Doug brought her down to Texas to meet us. I could tell immediately that he loved her. They were a wonderful couple together. The thing that stood out the most to me was how fearless she was. I loved her laugh, too. She was beautiful, creative and kind. She will be greatly missed.
