# Alexandra "Allie" Catherine Tatum

JAN 30, 1988 - SEP 29, 2024

It is with great regret that we announce the passing of Alexandra Catherine Tatum on September 29, 2024. Allie, as she was known to her family and friends, was born on January 30, 1988, to Harvey and Cheri Tatum, the youngest of three children.

There aren't enough words for how much Allie was loved by everyone she knew. She put her whole heart into loving everyone around her. She could go from not knowing someone to being their newest best friend in a matter of minutes. She collected friends all over the world, and she could make anyone feel seen and listened to.

Allie was equal part dog whisperer and dog yeller. She did not just love dogs, she was obsessed with them and dreamed of owning land so she could board them and have wide open spaces. In the last two years, she built a business from the ground up by boarding and grooming dogs from her home. She cared deeply for every dog she was responsible for, creating theme songs for them, walking them multiple times a day and telling endless stories about their antics at her home.

In addition to dogs, Allie loved her family fiercely. She often orchestrated get-togethers and loved to spend quality time with the "fam-bam" anytime she could. Allie had a beautiful voice and was attending voice lessons to learn to sing opera. She loved horses, rode them competitively as a child, and always talked about how so many of life's problems just faded away when she could go for a ride. She was athletic and determined and was training for her first marathon, after running three half marathons in the last year. Allie will be forever missed by all those who had the privilege of knowing and loving her.

Allie is survived by her mother and father, Cheri, and Harvey, her two brothers Nick and Greg, sister-in-laws Kate (Carter) and Jennifer, her "nephlets" Guy, Marie and Finley, her grandmother, Lou and her six wonderful dogs, Coco, Kiwi, Kevin, Givvy, Claude and Kaia.

She was so kind and we both shared a love of rescuing dogs... we also both had some similar health issues. I've been busy in my world the last year or more and hadn't followed up after messaging her to see how she was doing. I'm sorry to hear that she's gone...

I met Allie when we both worked at the Doubletree. I loved working with her because she was such a problem solver and so fun! When we adopted our first dog almost three years ago, we reconnected as she watch our puppy. Whenever we dropped our dog(s) off, they would start whimpering with excitement as we got closer to Allie's. Allie's friends and family are in my prayers.

Allie was radiant and so kind to me and my dog. She was THE dog sitter extraordinaire! We only knew her for a year, but she made a huge impact on our lives as we became friends through her business. Always at the ready to accommodate any request, she helped us a lot during a tough season in our lives and we both grew to love her.
