My mother absolutely loved dancing, particularly with her partner in life and love, Ray. I bet she dances everyday in Heaven!

You could always find Judy helping with decorating for many activities at the Elk's Lodge. She was always involved helping out in many different ways. When our daughter was having her wedding reception at the Elk's, Judy volunteered her time and creativity to help me with decorating. Always accommodating without complaining. I had mentioned how I missed having a dog after having lost our previous one. One was found in her neighborhood which they were not able to locate the owner. Judy contacted us and we became owners of our sweet Chloe. Judy was thoughtful. I will miss her cute postings of adorable poems and pictures of uplifting sayings on Facebook. Judy will be missed.
