Louis Blosch

DEC 6, 1936 - NOV 1, 2024

Louis Odus Blosch was born to Harold Louis and Ruth Blosch on December 6, 1936, in Bristow, Oklahoma. He passed on November 1, 2024, in Broken Arrow, Oklahoma. He graduated from Central High School in Tulsa, attended Tulsa University, and married his high school sweetheart, Gale Webb of Tulsa. Louis' life was best characterized by three commitments. He was devoted to his family, dedicated to God and the church he attended for sixty years, and was passionate about his work. He related to people with integrity and generosity in every aspect of his life.

As parents, Louis and Gale attended football games, recitals, musicals, and award ceremonies. In 1966, Louis bought their first boat, and the Blosch girls grew up enjoying the lake. They claim their dad taught over a hundred of their friends to water ski. Now his grandchildren and great grandchildren have many fond memories of days at the "Lake House."

Louis' dedication to God was expressed through his personal commitments to read scripture daily and to serve. He was Sunday School director, chairman of the deacons, and sang in the choir and men's ensemble. For forty-four years, he managed the kitchen at Faith Week with an incredible staff of his peers.

At age twenty-two, Louis began selling insurance. With 5½ years experience, he opened the Louis Blosch Agency. Louis' passion for his work was evident as his business grew. His genuine concern for people guided his work ethic, and his agency was recognized throughout the state. In 2017, Louis was honored on a national level with the Legacy Award, presented by Brotherhood Mutual Insurance Company.

Louis is survived by daughters, Susan Chrisman and husband Jerry of Piedmont, OK, Kathi Lewis of Broken Arrow, and Jeannette Amon of Siloam Springs, AR; nine grandchildren; seventeen

In 1993 my family moved to Tulsa and I needed a place to connect for my business. He graciously welcomed me in. His compassion and kindness made a significant impact in the life of my family. His professionalism, integrity, and faith in Jesus Christ set a goal for me to follow. He made it seem like I was doing him a favor when he was the one that was the blessing. Doug Cherry

In 1991, yes, a very long time ago. We moved back from Colorado and I was looking for a job but did not want to go back to insurance. The employment agency I was working with said I was a perfect fit for a position at Louis Blosch Agency. Reluctantly, I went to the interview and now forever grateful I did. I worked at Louis Blosch Agency for 10 years. I have always had very high respect for Mr. Blosch. Every agent I've worked for, I've called them by their first name. Not Mr. Blosch. He reminded me of my late grandfather who was a preacher. My son rode his first jet ski at the "Lake House". The Blosch family doesn't know me, but they will forever have a special place in my heart. Thank you, Mr. Blosch, for getting me back on track back in 1991. Rest in peace and rejoice with your Father in Heaven. Rhonda Andrews (Rhonda Tyer back in 1991)

It was a privilege and blessing to work for and with Mr. Blosch for many years. He was humble, hard working, and a godly example in how he ran his business and treated everyone around him. He and Gale both were faithful servants and touched many lives! We will miss them both here on this earth and my prayers are with their family. I'm grateful to know he and Gale are together with Jesus in heaven!
