Remi Anne Barrios

APR 12, 2018 - FEB 13, 2025

Remi Anne Barrios, “Birdie”, went to be with Jesus peacefully after 6 years of her miraculous life and fighting spirit, in the comfort of her home, cozy in her bed. She lived in Tulsa, Oklahoma with her mommy Kelsey Tudor and “dada” (as she called him) Stephen “Blake” Tackett.

Remi was born on April 12th, 2018 in Dallas, Texas at Children’s Medical Center to begin her journey with congenital heart defects and other health conditions so she could receive some of the best medical treatment before finally being able to go home to Tulsa with her family. In the course of her life she endured and conquered over 20 surgeries, many of them being open heart surgery, and she was the strongest girl through it all. Remi was also born with Down syndrome and was accepted at the Little Light House school in Tulsa at 3 years old where she began her education, and spent 3 years there. After graduating the program, she then attended Ellen Ochoa Elementary for 1st grade. She received the best care and love at both schools, as well as wonderful special needs programs and therapies needed for intellectual and cognition development. She was so smart and accomplished so much despite her diagnoses.

Remi loved to be social, and everyone was a friend in her eyes. She loved to color, do puzzles, play basketball, sing and dance, play outside, run errands and just be out and about, play with her plethora of stuffed animals (Mickey Mouse was her favorite), play with her siblings, laugh and be silly with her “dada” Blake Tackett, absolutely loved food and chocolate, and most of all she loved to cuddle with mommy and do everything together. Everyone who knows her knows she truly was the happiest little girl out there, with the biggest, warmest smile, and contagious laugh. She had the best attitude no matter what she went through in her many hospital stays and doctor appointments, and she was always a light to everyone’s day. The health scares she overcame really encompassed the miracles of God. Her beautiful face, bright spirit, and pure joy will be incredibly missed.

Remi is survived by her mother Kelsey Tudor, stepfather Stephen Blake Tackett, father Blake Barrios, grandmother Ricki Tudor, grandfather Michael Tudor, grandmother Marsha Tudor, step

Remi, was a shining light to all who knew her, or knew of her. Her strength and courage, through every battle she faced, helped all of us dig deeper and fight the good fight a little harder, when we faced our own battles. Her sense of humor and laughter will be missed so much! How thankful we are that the Lord shared the gift of her precious life with us! Blake, we love you and Kam and are lifting you up in prayer for the Lord to comfort you as only He can. Condolences, Mom Candace, DuWayne, Ryan and Tyler
