I hear you when you cry for me
Oh, I wish you could see
The angels that are here and the cradle they made for me.
They kiss me on the cheek
And it's your lips I feel
They rock me in their arms
And tell me of a love so real

They tell me how you loved me
From the moment I was there
Of the butterflies and little kicks
And all the things we share

I felt your every heartbeat
It's my favorite lullaby
And the angels play it for me
Each and every night

I hear you when you cry for me
Oh, I wish you could see
This time apart is temporary
And here I'm safe and free

I won't ever leave you
I'm always very near
And when you listen close
It's my voice you will hear
Singing soft I love yous

From a cradle in the sky
I will never leave you
This is not goodbye
Look for me in rainbows
And in stars in the night
Look for the biggest
The one that shines so bright

I'll see you once again
When you come to heaven's light.
