Marjorie Scruggs

OCT 21, 1949 - MAY 10, 2025

Marjorie (Margie) Elizabeth Scruggs, 75, went home to be with Jesus on May 10, 2025, after a two-year battle with cancer.

Margie is survived by her husband of 52 years, Joe Scruggs; her son, Todd Scruggs, and his wife, Beth; her granddaughter, Maggie Scruggs, and her grandson, Andrew Scruggs; her brother, Grandison Royston; and her nephew, Guy Royston.

Margie will join her son, Wade Wright Scruggs, and her parents, Grandison and Imogene Royston, in heaven. Margie was born in Hope, Arkansas, on October 21, 1949. She graduated from Ouachita Baptist University in Arkadelphia, Arkansas, and moved to Little Rock, where she married Joe in 1972.

After a stop in Kansas City, they moved to Tulsa in 1979, and have lived in the same house, in Jenks, Oklahoma, for 45 years. Margie's towering faith, kind and loving nature, wisdom, and caring smile will be sorely missed by everyone who knew her.

Her love for Jesus shone through everything she did and inspired anyone she spent time with. Her focus was always on Him. Margie's family is deeply appreciative of everyone's presence here today, along with all the prayers, messages, and help received over the past months.

Our hope is to honor what she honored: our Lord and Savior, Jesus Christ. Memorials can be made to Young Life or to the Redeemer Church mission budget.

This is Linda Pettingill.. I worked several years with Margie's husband Joe at Christian Family Institute and got to know sweet Margie at our holiday parties and baby showers and other celebrations. I was drawn to her sweet spirit and pretty smile and her love for her Savior!! ❤️ We attended Redeemer Covenant for a short time and I attended some of the Bible Studies Margie led...so anointed to teach... her infectious love of God's word was so inspirational! I pray for you Joe and your whole family to feel your loving Savior's arms holding you as you all navigate through your great loss! I will Celebrate though that Margie has moved to her eternal place where her God reigns and dwells! In His Love ❤️ Linda Pettingill

When I moved back to Tulsa, I had a hard time with the transition. Margie met me for dinner and just listened to me pour out my heart. I hadn't seen her in years, yet when I told her I was struggling she immediately offered to meet with me. I left that dinner feeling heard, loved, valued. All the genuine benefits of having a warm friendship were always imparted from even the shortest visit with Margie. If I could sum her up in a sentence, I'd say she is the dearest woman on earth... and now in heaven :).

Margie was a patient of the doctor I work for. Every time I called her she would answer the phone and greet her, she would said "hello my Shelby girl how are you" and it would just light my soul with joy and worth. She was truly a loving person that will be missed.

Marla McMahon lit a candle in honor of Marjorie.

Margie has been a friend since high school and I can testify that she was surrounded by an aura of kindness and grace with every step she took. She had the sweetest smile for everyone and said the most precious prayers. She was one of a kind and I miss her already.

I have been fortunate to know Joe and Margie for over 25 years. My wife, Joanne, and I vacationed with them twice at Grayton Beach FL where we and our kids stayed in the main house while Joe and Margie were assigned to a small cottage out back called "The Love Shack." Margie was so very full of love and life and also had a spirit of adventure. Here she is about to go canoeing and she is all smiles. We loved our you Margie and miss you so much already.

I am fortunate to have known Margie and Joe for 25 years. My wife, Joanne, and I went on two beach vacations with them and Margie was in her element ... happy, adventurous, fun. We loved our time with them. Margie went canoeing one afternoon and loved it. We love her so much and will miss her greatly.

When Greg and I got married 5 years ago, Joe performed the wedding, and Margie provided bride flowers, groom boutonniere, wedding music, and got us a cake. Over the top, in true Margie style. Forty-one years ago, after Jerry's and my son died, I learned from Margie that it was "okay" to be angry with God; that God was big enough to handle it. Then, after Wade was killed, she and Joe taught me how to properly grieve, without the anger. I was able to handle Jerry's death so much better. These are just 2 ways that Margie touched my life; there are many, many others. She will forever impact me, and I will never forget her precious smile and voice. ☐Sandy Howard Phillips
