Shirley was my neighbor for many years. I would often greet her with the words, How's my favorite neighbor? and she would always give me a big smile 😊 . We would often chat about what was going on in each of our daily lives and families. She often spoke of her love and devotion to her family. While I will definitely miss our friendly chats together, I will always remember her kind and caring spirit. ❤️

I remember playing with Jeri, Terry, and Shirley in the yard at their house in Canton. Jeri is my age, so Shirley was a few years older. It was always so much fun when they came to Olustee to visit grandparents, we never got to see them enough and were always excited when we were told they were coming. And I remember being at the hospital with her after Kim's car accident. Wish we had been able to stay in touch better. Love you cousin!
