Jerry was one of the sweetest guys in our class, and he went on to marry such a sweet girl. He was always polite and kind, and he was a true friend. Once, when my mouth was running ahead of my brain, he gently called me out on something I had said. He was right, and I apologized. I appreciated this gentle giant of a friend. I am so sorry for your loss. I will miss seeing him at the next class reunion in Water Valley, but, Ilsa, we would love to have you there anyway. I am praying for your heart, dear lady, and for your family.

have so many great memories of Jerry as we worked, fished, collected Ingersoll Rand memorabilia, and we even traveled together to the National Fishing Lure Collectors national meeting in Kansas City together. This photo is from last year when Jerry and Ilsa celebrated our 50th wedding anniversary. We are praying for Ilsa and all of the Family in this most difficult time.
