In Loving Memory of Alice Roberta Dewees October 5, 1948 – September 28, 2025

Alice Roberta Dewees, 76, of Tulsa, Oklahoma, passed away peacefully on September 28, 2025. Born on October 5, 1948, in Frankfort, Indiana, to James Wilson and Thelma Jean (Martinson) Baldwin, Alice lived a life marked by kindness, dedication, and a deep love for her family, community, and the simple joys of life.

A lifelong educator, Alice devoted her career to Tulsa Public Schools, where she taught at Foster Middle School. Her passion for teaching and her gentle spirit left a lasting impression on generations of students and colleagues alike. She believed in the power of education and the importance of nurturing young minds.

Alice made her home in a truly special neighborhood, surrounded by wonderful neighbors who became cherished friends. She found joy in gardening, camping with her husband Carroll and family in their RV, and cheering on her favorite football teams, the Chicago Bears and the Oklahoma Sooners. Her love for the game was matched only by her love for her big dog, Rocky, who was her constant companion.

She had a good soul—warm, generous, and full of quiet strength. Her presence brought comfort and laughter to those around her, and her memory will continue to do so.

Alice is survived by her daughter, Heather, and son-in-law Jason Rains; granddaughters, Hailee, Madison, and Rory; and great-grandson, Benji. She is also survived by her brother, Jim Baldwin, and his wife, Nancy; as well as a beloved niece, nephew, four great-nieces, and a great-nephew. She was preceded in death by her husband, Carroll Dewees, in June of 2018.

At this time, no services are scheduled. The family invites those who knew Alice to honor her memory in their own way—perhaps by planting something beautiful, taking a quiet walk in nature, or simply sharing a kind word with someone who needs it.

To me growing up she was always aunt Alice. My mom Sandra Lehman and her were best friends. I will love and miss her. Hope my mom was there to meet her in heaven.

I was one of her caregivers in hospice. She always such a sweet lady who is still very much missed by all of us who had the honor to care for her at PCH. This photo of Alice is the best! With warmest regards, Rian

I only met Alice once. I am the photographer that did Rory's senior photos, and I actually took the photo that is used for this memorial. This photo, I feel, captured Alice's spirit perfectly! Even with my limited interactions, I could tell that she was a warm, fun, loving, and loyal person. To this day, that session is one of my absolute favorites. They even invited me to lunch with them when we were done! Alice was a beautiful person, and she definitely left a lasting impression on me. I will always remember her exactly this way.

A classmate from the beginning at Riley Elementary through high school who was always friendly. Never picked on her because she had an older brother and her dad was my math teacher too. Thoughts and prayers to the family. Ron Kerby
