## **K**elli Ann (Kendall) Knight January 25, 1977 – October 24, 2025

Kelli Ann Knight, 48, of Tulsa, Oklahoma, passed away peacefully on October 24, 2025.

Born on January 25, 1977, to Clarke and Joyce Kendall, Kelli grew up with her brother, David, and with a big heart, a quick wit, and an ability to make everyone around her feel seen and loved. She later built a beautiful life with her husband, Brian Knight, the love of her life and best friend. Together, they raised two wonderful daughters — Malorie, of Tulsa, and Brooklin, of Spartanburg, South Carolina — who were her greatest pride and joy.

Kelli worked in many retail positions over the years, but she truly found her calling in caring for the elderly. Her kindness and compassion touched many lives, including that of her dear friend Ruth, whom she cared for with devotion and love.

Known for her humor, warmth, and big heart, Kelli made every gathering brighter. She loved true crime TV shows, a good trip to Target, planning get-togethers with family and friends alike, and surrounding herself with laughter and love. To know Kelli was to be part of her family — she was an amazing wife and mom, a wonderful sister, the best daughter, and the fiercest friend. Everyone needs a Kelli in their life—someone who is selfless and loving, a rock, and a safe space. If you gave her time and a Diet Dr. Pepper, she could do anything.

She is survived by her husband Brian; daughters Malorie and Brooklin; her parents, Clarke and Joyce Kendall; brother David Kendall and his wife Ellen; niece Maria Kendall; her aunt Kathy Busch; her father- and mother-in-law, Wade and Linda Knight; brother-and sister-in-law, Scott and Nancy Knight; brother- and sister-in-law Marc and Kristin Knight; niece and nephew, Harrison and Lauren Knight, and an abundance of dear friends who will miss her terribly.

A celebration of Kelli's life will take place on Saturday, November 1st, at 2:00 p.m., at Floral Haven Funeral Home, with a small reception to follow.

In lieu of flowers, the family asks that donations be made to the United Way of Tulsa (1430 S

**David Kurtz** lit a candle in honor of Kelli.

Growing up around Kelli was always a joy. She was never shy, and always passionate about life. I remember she would often sunbathe on the roof in the summer, testing out a new beauty treatment perhaps at the same time. She was always kind and generous to me when I was a guest, telling jokes, and going out of her way to include me in things. I remember she had lots of friends and was a great swimmer back in the day. She joined us at Grand Lake a few times if I recall and we even went cliff jumping. Seems odd to be lighting this single digital candle to a person who shined brighter than a million of real ones and to do so far too soon...but I will never forget Kelli and the beautiful soul, mother/sister/wife/friend that she was to so many.
