Missing my big sister Evetta, I can't stop thinking of her big bold laugh and energetic voice. Every so often I would get a call and she would Yell Crystal and start to laugh and say I just wanted to talk to my baby sisters hear your voice and then she would say now I will be alright; especially if something went wrong in our family. She would always ask if anyone was bothering me lol then exclaim No one better not be bothering her baby sister! lol, She was always excited to see me when our daddy would bring me down to Tulsa to see them. When I was a little girl and we were in Mississippi My sister Evetta would have me dancing for everyone making everyone laugh except our grandmother Ella. Lol she would be giving us both the side eye she was a church lady. I will forever be grateful how she loved and took care of mommy Charlotte in her last days. I'm going to miss my big sister, love your baby sister Crystal Ward Bermudez
