## **Edna Lucille Grove**

JUN 15, 1942 - FEB 1, 2026

**E**dna Lucille Grove, age 83, passed peacefully into the arms of her Lord on February 1, 2026, in Tulsa, Oklahoma. She was born on June 15, 1942, to Alton and Mary Roush, who welcomed a daughter whose kindness, humor, and gentle spirit would bless everyone she met.

Edna was a woman who found joy in the simple, meaningful moments of life — especially when those moments involved a good card game. Whether it was Canasta, 313, or any game her family suggested, she was always ready to play. Her grandchildren fondly remember that she was famous for helping them win, even if it meant her own team didn't stand a chance. Her easygoing nature made every gathering brighter, and her daughter-in-laws often said, without hesitation, "She was the best mother-in-law!" Both felt incredibly lucky to have her in their lives.

A gifted cook and baker, Edna filled her home with warmth, delicious aromas, and the kind of meals that became family traditions. She taught her grandchildren how to bake and cook, passing down recipes, skills, and memories they will cherish forever. Her Thanksgiving dinners were legendary, and her desserts — especially her cinnamon bread and muffins — were loved by all who tasted them.

To her family, Edna was affectionately known as the "daycare grandma." Her children could drop off their little ones without a worry in the world, knowing they were safe, loved, and probably being spoiled just a bit. Her home was a haven of comfort, laughter, and unconditional love.

Edna shared 61 beautiful years of marriage with the love of her life, Eugene "Gene" Grove. Their devotion to one another was a testament to faith, commitment, and enduring companionship.

Her faith was the foundation of her life. Edna was deeply devoted to God and loved being in church. Spirit Life Church in Tulsa was her home church, and she treasured her time there. She also enjoyed visiting other congregations, especially when special guest speakers came to Vinita Church.

Grandma and I made a lot of memories like when I was little my parents would go out doing something while Grandma daycares me and Matthew Cheryl and sarah and sometimes I spent the night at her house, there are times like Christmas time me and Grandma made Great Grandma's Sugar Cookies even when Cheryl and Sarah are there, when I was really little she sometimes takes me to the zoo, and at the zoo she always takes a picture of me Matthew Cheryl and Sarah on this wagon there, she even takes me to the Aquarium. And sometimes when mom and dad are too busy to pick me up from school, grandma would come and pick me up from school and when I got done I would say "I'm Hungry" and she says "Oh you're always hungry". And every year on Thanksgiving and Christmas we go to Grandma and Grandpa's house to celebrate those holidays when I was little we go there to open presents and ate good food especially her delicious punch, and her Double Layer Pumpkin Pie. And she makes really good Ham Salad and Rhubarb Pudding for Dad, and when I was little go to I spent the night at her house in the mornings she would make really good Sunny Side Up Eggs with Toast. There are times when me and Grandma talk about Jesus and other people in the Bible, growing up and learning the Bible from her and grandpa warms my soul.

To The Grove Family. I'm so sorry to hear about Edna but the one thing I know is that she loved you all so very much" I got to meet Edna when I was just a little girl at church and I grew up with her sons" Edna always had a smile and she had a good heart I never thought when I talked to Edna 4 days before she went home to be with Jesus that it would be the last conversation we would ever have
