

## Amy M Kelley

July 24, 1968 - December 13, 2014

Amy M. Kelley, 46, passed away on December 13, 2014 surrounded by her loving family and friends. She was born July 24, 1968 in Tulsa, the daughter of David and Carole Lundquist. She attended Tulsa Public Schools and went on to graduate from Northeastern State University where she met her soulmate, best friend, and husband of 23 years, Tom Kelley. Whether you were a family member, friend, or colleague; Amy deeply cared about the people in her life and you were drawn to her infectious spirit and engaging smile. She was a giving and beautiful young lady who loved to make people laugh. Like her mother, Amy never met a stranger and those new to her life were quickly introduced to her compassion for animals and love for her Dachshunds. Following in her father's footsteps, Amy was an avid Oklahoma State Cowboy fan and spent 23 years in aviation working for the Boeing office at American Airlines in Tulsa. She took great pride in taking care of American Airline employees and new Boeing representatives that moved to Tulsa from cities around the world and showing off her hometown to their families. Amy is survived by her husband Tom of Verdigris; parents, David and Carole of Tulsa; her sister Jenny Caho of Tulsa and brother Andy Lundquist of Owasso; her precious puppy dogs Mandy, Millie, Miracle, and Milo; and several aunts, uncles, cousins, nieces and nephews. She is preceded in death by paternal grandparents Milton and Alice Lundquist; and maternal grandparents Charles and Eleanor Surbey and her beloved pets, Molly Mae, Monty, Maggie "Big En" and Maynard Sanders. Visitation will be held Wednesday, December 17, 2014 from 4:00-8:00 PM at Floral Haven Funeral Home. A memorial service will be held at St. Marks Methodist Church on Thursday, December 18th 2014 at 1:30 pm. The church is located at 10513 East Admiral Place in Tulsa, Oklahoma. In Lieu of flowers donations can be made to Animal Rescue Foundation of Tulsa <http://arftulsa.org/makeadonation.html>

“ I was Amy's big sister in our sorority at NSU. We were also roommates. The memories are endless. We would sometimes laugh all night long. She loved guns and roses and she would blare that radio in the morning getting ready for class and to this day every time I head a guns and roses song I always think of her. I was a bridesmaid in her wedding and she and Tom came to my wedding in Arkansas. I spent many weekends at her parents house and I remember they always made us get up for church no matter how late we were out the night before. My heart goes out to all of you. Sigma love never dies!!!

“ Tom, it is so hard to find words of comfort during this trying time. The comfort will be that to be absent from the body is to be present with the Lord. You hold a special place in my heart and I wanted you to know that I will pray for you and your family. Peace comes with time.

“ Amy and I met in 3rd grade at Cooper Elementary. We were both blond curly haired girls and people would ask if we were sisters. I was a shy child and Amy took me under her wing and we were soon the best of friends. Many memories of just laughing and having fun with her. My life was enriched because I had a friend named Amy. My condolences to her husband, parents, sister, brother, all her family, and all her many friends. Allison Wade-Bowen

“ I first met Amy when she was a temporary employee at the Boeing office at American. In that position she had big shoes to fill replacing the office administrator that had ran that office for over 30 years. Amy stepped right in and with that magnetic smile and all of her charm won every one over to her side. In a short time we all reconized that she the right person for that position in the Boeing office. She helped many Boeing employees along with American Airline employees and will be sorely missed by each and every one of them. Our prayers and thoughts rest with her and her family at this time. “ To the most wonderful person; a person who never met a stranger, who gave so much to so many, and asked for so little in return.. To the person that made me stop and rescue every dog and tiny turtles off the road in pouring down rain; made me eat McDonalds when I didn't even like it; made me run more errands with her than any 10 people should have to run; made me ask for extra ice and pickles and no tomatoes or onions in every drive thru; and saw no use for the white parts of lettuce. My heart is broke, I will dearly miss you, and all those little things my friend. Paul

“ Amy was such a beautiful person inside and out! Although I only knew her for the last couple of years we could talk and laugh as if we'd been friends forever. I just saw her Thursday and we were making plans for our raincheck dinner since work got in the way a couple of weeks ago. So we just blew up the texts instead. She wrote exactly the way she talked and I could hear her voice when I'd read them. Even when we weren't there face to face we'd both be laughing back and forth. She was truly special and I will deeply miss her and all the years we were going to have as friends. She always lit up when she talked about Tom and her four-legged children. And she absolutely adored getting to be the "fun" aunt. I cannot imagine that there would be a single person who met her that wasn't captivated by her big bright smile and her bubbly personality. The world lost a shining light and I will miss her friendship, hugs, and infectious laugh more than I can ever express. God has an extra special beautiful angel back home with Him. To her family, I will keep you in my prayers. Thank you for sharing her with me for this all too short time. I share her love for animals, and I am making a donation in her name to ARF to honor her. May God wrap his arms around you all and give you comfort. With love, Jennifer Sunny

“ Tom, David, Carol, Jenny, Andy ....Loving each of you and every member of your family was her passion; through her stories, I became to know all of you as if we were related, and I was there at every event or moment you shared together. She loved her time with each of you individually, and all together.As you know, your Amy meant the world to me as well; Amy and I have shared close to 20 years of the greatest kind of friendship any person could ever hope for. Without a doubt, I know I'm a better person because of her; she first reached out to me so many years ago during a tragic situation in my life, and she never let go of me; when I thought I couldn't go on, she picked me up time after time. I feel I will forever be lost without her in my life, but I know in my heart that her hand will always touch me as it has for all those years. My heart is hurting for each of you and your families; but, we all know the world will absolutely be a brighter place because of her infectious laugh and radiant smile in heaven.God has no idea what he is in for... He'll quickly realize who runs the place now that she's there. I will never look at the sky and not think that she probably has God wearing an OSU sweater, holding Dachshund puppies and making plans to build a Kennel, a Dillard's, a Nail Salon, a Beauty Shop, and a TV room with the biggest flat screen imaginable that plays non stop OSU games, Dog the Bounty Hunter and every possible episode of Friends. If he doesn't put his foot down (which wouldn't do a bit of good) we may even have a Casino in heaven shortly.He'll come to understand that there is "world time" that he created, and then there is "Amy time"; in which he'll stop resisting soon and find it much simpler to succumb too than to argue about. If things on earth aren't happening as fast as we think they should be from now on, we'll know why; Amy will have him scheduling his day starting around 9am, and the way she thinks it should go.. It's just the way it's going to be.In every way, I believe God has already made her the Greeter to Heavens Gates, there is simply no other person for the job; I can already imagine when that time comes, and we open our eyes, look up, and see her standing there smiling, holding a Coke in one hand, a puppy in the other, and opening that gate for us; saying "HEEEEEYYYY, COME ON IN!" I think I can even see a Boeing poster on the wall.I will be forever grateful for the time I was granted with her during my life..Our beloved Amy will be missed..Paul Burke

“ When my granddaughter passed away and I flew into Tulsa before my son got there, Tom and Amy met me at the airport and fellowshiped me for hours. What great friends and people they are. They didn't know me, but we're willing to do this for my son who thinks the world of both of them. Thanks for being our friend and rubbing shoulders with us. May you find comfort in knowing you have so many friends who care. May you find comfort in the Savior, Jesus Christ who knows you and loves you. Many fond memories are in my heart. My sympathy for your loss.
