“ Dearest Olga, Gary, Gary Paul, I am so sorry your precious girl has gone on to Glory. I remember the fun times around our pool with Angelica and my girls. What a joyful loving girl you raised and cherished. May the peace that only God can give flood you and get you through this time. I am praying for all her family, husband and sons! She will never be forgotten, she will always be a part of the good times we had during those teen age years! Love you all! Judy (Cunningham) Driscoll

“ Such a sweet person, there never was a time that she wasn't giggling or smiling, made you happy just being around her, She was like a second daughter to me and my husband. The trip our families made to Dallas, was such a great time. We love you Davis family.

“ May you Steve, Stevie, Gavin, Gary Sr., Olga, Gary Jr., Carmen, Quanna and boys, please receive my deepest condolences! Pooh was a wonderful memory for me too, she was absolutely Beautiful inside and out! She loved you all and held special place in her heart for all her family and friends. As I have listened to her CD she created, As a young child with so may hope and dreams, life is not so easy, at least not for me; she sung this song to those of us who can truly relate to all her truthful words! How that song echoes in my heart & soul. May our Heavenly Father and all His Angels in Heaven receive her in their Choir, so she can now help orchestrate all the songs and music she plans for the Saints to hear and enjoy!! Gone but Never Forgotten!!! Thank you for all ways being kind to me and my children, so long POOH! You will truly be missed!!! Thank you Heavenly Father for showing me a true Mother, Sister, Friend, and Family. Amen
