“ I'm so sorry for your loss. May you find comfort in God's promise of a resurrection where we will be reunited with our loved ones who have passed away. John 5:28, 29

“ Dear Ault family, I'm very sorry for your loss and hope you'll accept my condolence and deep regrets for this enemy death is our worse enemy and always brings much grief and pain and this is not what our loving creator Jehovah God intended for us and he's provided a means of comfort and hope which helped me when this enemy took my entire family and I found this in his word the Bible at John5:28,29 where we're told we'll see our love ones again when Jesus brings them back in the resurrection here on earth. Also at Isaiah25:8 we read that this enemy death will be swallowed up forever. I also found help at jw.org(search:comfort) and all this is what helps me to cope with my loss and get through each day because I miss my family so much. I'm truly hoping this will help you also in some way for this is my purpose in sharing this with you because comfort and hope is needed at times like this and please feel free to let me know if this did at gloriamosley@hotmail.com and please know I do share your grief and hope to hear from you. Sincerely, GMosley
