

Beverly LaFaver

February 15, 1957 - October 14, 2019

Beverly Sue LaFaver, 62, was born on February 15, 1957 in Tulsa, Oklahoma and passed on October 14, 2019 with friends and family by her side. She was born to LeeRoy and Norma McDaniel. She graduated from East Central High School in 1977. She later met and married Randy LaFaver, and moved to Claremore, Oklahoma, where they built their home together. Beverly worked various jobs, from helping out at the downtown library, to working at the B & B Movie Theater, and even being a nanny. But, she became ill and could no longer work. She was eventually placed in Emerald Care Center in Claremore. Bev was very active and was always ready to get on the bus for various outings, especially to Wal Mart. She loved arts and crafts. She was known to win many rounds of bingo and other games. She was well liked and made many friends while at the center- so much so that she received "Resident of the Month" in January of 2019. On behalf of her family, thank you for being a friend to Beverly. She will be very missed. And a special thanks to Pam for being her best friend and doing everything that you have done for her. Visitation will be held from 2 pm – 8 pm on Sunday, October 20 at Floral Haven. Services will take place at 3 pm on Monday, October 21 at the Floral Haven Chapel.

Comments

“ Beverly befriended us recently when my mother was a resident at Emerald Care (April through August, 2019). Beverly was genuinely interested in others and she was cheerful even with her physical limitations. She blessed us and I will never forget her!

“ Beverly was the best friend anyone could ever have and I was blessed to have her as one of mine for over 27 years. She had a fun spirit, a loyal heart, and a love that she shared with me and my family. She was faithful to call me just catch up on everything since we'd seen each other last. We had many good times together, out shopping. She came to my son's wedding 100 miles away! She was the ultimate definition of a best friend. I will miss her deeply.
