“ I am absolutely devastated to hear of BJ's passing. He came into my life 33 yrs ago. A quite, shy, mischievous, always blushing, gentle guy with a big heart that he never outgrew. Marty and I miss and love you BJ. We will see you again soon. Rest In Peace cousin!! Aunt Sheri, Sheli and Keli, we love you guys! We are here for you.

“ I've been at a loss on what to share here because there's just so much to say and this doesn't seem real. My big brother was a real dork and oh so funny. He was an awesome Papa to his boys and an even better Unc to his nieces and nephew. He struggled a lot in this life but I haven't met a person who hasn't. My brother loved his family with everything he had, up until his last breath. There isn't a thing he wouldn't have done for any of us, if he'd had the means, there was no doubt he would be there. I pray that he feels the love from all of us now and that he's the first to greet me when I get to heaven. He will forever be missed and I will make sure that he gets the justice he so deserves. Ohana means family never gets forgotten or left behind - B.J. will never be forgotten or left behind

“ I remember growing up as kids and he was like a little puppy. Every where I went he would be right behind me lol. He always had to do everything I was doing. We had a lot of fun when we went to grandmas. I'd take off down the road to the creek and here come BJ. Lol I couldn't get away from him if I wanted to. Love you cousin. I know we haven't seen one another in a few years but you will be missed.
