“ My dearest little brother, I am so sad you are no longer with us. The times we had together will be cherished. I have donated a large sum in your honor to the American Atheists organization. I am and will always be so proud of your compassion, your empathy and your intelligence. What you have done with your life is heroic and beautiful, the memories we have will always be ours, I hope you continue to inspire compassion in the lives that you have touched. You have been a role model for me and I do not think I could have accomplished as much as I have in my life if not for you. I am so proud of you. You are damn fine model of a human being and a brother.

“ I'm Samantha Alexander's mom. BJ was her very best friend from third through fifth grades. Sam, BJ and Justin.... Sam could only stay until midnight at the slumber parties.... one of my favorite memories was arriving at one such party and the boys barreling out of the house shouting, " Oh boy, SAMs here! Now we can REALLY play!" I taught second grade at Oak Crest and always remember them running, running everywhere. And always the competitions, books, math, games, whatever they tried. How blessed Sam is to have had such a wonderful friend. My heart goes out to you.

“ Blaine was one of the kids I considered “my own”, one of the boys that spent countless evenings and weekends at our house having poker parties, ping pong parties, and lots of other (always noisy) activities. They ate all my groceries, messed up my house, kept me awake nights when I had to work the next day, and I loved every minute of it. Blaine always told me he was the one trying to keep everyone quiet. I’m SURE that was true. He was one of the smartest young men I have ever known. He would debate anyone, anywhere, anytime about anything. And usually win! He was always kind to all the other kids, to the “little sister”, to Grandma, to the dog and to me. And he was ALWAYS there for his friends. I was so very proud of him and his accomplishments. Proud that he served our country, proud of his academic achievements, and just proud of who he was. He always had that smile on his face, the one where you weren’t sure if he was just happy or if he had just pulled something over on someone. That smile was never bigger than the day he married Kate, the light of his life. Blaine, I don’t know if you realize how much you touched everyone’s lives with your wit, with your laugh, with your smile, with your life. RIP son. Earth’s loss is heaven’s gain, and you will be missed so very much. I love you. Mom Hughes

“ I'll never forget the trips to florida, vegas, or even just the lake. Blaine was always in a good mood and happy to be there living life to the fullest. Even the weekly poker nights at Jeffs he would never get mad even though he probably lost more than anyone hahal won't ever forget all the weddings we were a part of together and all the great memories that I will never forget. You will be dearly missed but never forgotten good buddy. Love you. Aaron Light

“ Blaine and I were childhood friends that grew up together, he was basically like a brother to Jeff and I growing up. Over every weekend for poker parties and hanging out, he was such a great guy and will deeply missed by myself and my family. Love you buddy.

“ You were a great man and a greater friend. I always enjoyed and appreciated our debates, and it was fun to watch us both grow and change our ideologies. The main thing I will always remember is that you had my back no matter what. I appreciated that more than you knew. I know there's a brand new Porsche 944 waiting for you up in Heaven. One that Aaron hadn't already beat up ha! Love you buddy.
