“ Your family meant everything to you. I know you are as proud of them as they are of you. You taught them well through your example of determination in the face of adversity, love, compassion and togetherness; which are being carried on in each of your children and grandchildren. You did it lady!

“ I know when I cry, I'm only crying selfish tears. You are exactly where you were always meant to be and I know how happy you are to be reunited with all your family, friends, and animals that have been anxiously awaiting your arrival. Although there were many adversities, even from early on, you lived such an incredible, selfless life!! I always said I could never repay you for everything you did for me and I truly mean that from the bottom of my heart! The sacrifices you made for your children were infinite and even after we were grown, we remained your first priority. That selflessness never went unnoticed Mom!! As much as losing you hurts, I'm so glad to know you are God's chosen angel watching over me now!! I love you with all my heart Mom and will forever cherish the memories we shared. You are now free of all pain and sorrow and that gives me the greatest sense of peace!! NLYSDSYITM ??
