“ Appreciating the time and effort you put into your site and daelited information you offer. It's nice to come across a blog every once in a while that isn't the same unwanted rehashed information. Fantastic read! I've saved your site and I'm including your RSS feeds to my Google account.

“ Uncle Chucky! I miss you very much. I don't feel as if I was the best nephew as I often took for granted the time we had together. You were to young to leave this world. I hope you are in a much better place and am glad you are no longer in any more pain. I wish I had told you how much I loved you more often before this horrible cancer. I will always remember you as easy going, fun loving, jokester that you were. May you rest in peace!
