“ I am so saddened to hear of Charlie's passing. I have such fond memories of him; such a great man! Even though we had not stayed in touch, when we ran into each other at QuikTrip recently, it was such a happy moment. Charlie was the best, all-around fix anything guy – he did it all – repairs, painting, and installed our water heater as the last project he did for us personally. I had the pleasure of having Charlie as our "Maintenance Tech" in one of my previous jobs – he maintained our office grounds and our corporate rental. He was ALWAYS there, so reliable, dependable, and always with a smile. I will remember the twinkle in his eye most, and the love he had for his family – his wife Julie, his son Cody (who he brought along with him many times) and Shelby. If you read this, my condolences to each of you. Thank God for our faith and what a comfort it is to know he knew the Lord. But he left us much too soon. I will miss him (we only just reconnected). Our sympathy and prayers to the entire family, Pat & Susan Jones
