“ It was about 4 years ago, I was at Jenn and Odie's (like I always was) with Nolan and Brandon and everyone had gone to bed. Chey was hungry and wanted to go to town and get Whataburger but he didn't have a car so Aunt Danielle (me) said we can go in mine. On the way down 404, Chey hit a deer. Didn't damage the car but killed the deer. He was laughing so hard because I was being a girl and didn't want to help pull it off to the side. I don't think I ever told Jenn and Odie ?? Just thought I would share a memory that has made me laugh several times. That's just one of the memories I have of a great loving person he was. Love Danielle

“ Words are hard to find at times like this, I loved working with you, you helped make east side a awesome team, you made it fun and it was nice to know you had my back, we all had some great memories and some rides to remember:-) I will pray for your family, your daughter who you was so proud to show off her pictures to us, life was to short for you, there is a scripture that says that the young pass so that they may escape the evil of this world, we don't know what evil may have been waiting but we do now know who holds your future, that's one thing is hope, I have sweet hope to see your smiling face once again thru the gates of Heaven!
