“ Claudia was a unique classmate. I was a county kid and since Jo Ann was the only Methodist besides me in my class I spent a lot of time there for church activities. Claudia would always come over and join us while I was there. Even at school, I never saw Claudia other with a smile on her face. She was the smartest member of our class as worked in the office instead of study hall and entered all the classes and grades into the register. In all the years I knew her I never saw her say a bad word against anyone, never saw her mad or upset, she just would smile and enjoy life. She live as God would have wanted her to live by her actions. I loved her and will always consider her my ideal to reach for in this world. May God bless all of the family as I know she loved you all tremendously. I am so glad I had the opportunity to visit with her after Jo Ann's funeral at the cafÃ . Your family was greatly blessed by having her in your life. Letha Clark
