“ Best Father-in-law ever. I remember when we won the company golf tournament and everyone thought we cheated, it took 4 yrs but we did it. During football season you would call every Saturday and asked me hey "what time does game start ". You were so excited to watch football with us and bring over your famous barbecue chicken. You never missed a soccer game, No matter how hot or cold it was that day you were always there. You loved cheering on Preslie and Macy during those games, sometimes you would yell at the referee or the other team and Jennifer would say Daddy , we would all laugh!!!. We had the the best of times together and I will never forget it. Your in a better place now and we know you will be talking to us from above. Love you and Rest in Peace

“ Jennifer, I will always remember Clinton cheering on Victoria in all the soccer games. He would always yell her name after she made a good play in a gruff, manly voice. I can hear it now...VICTORIA!! He was always joking and kidding around. He was so much fun to be around!!! He will be missed. There is comfort in knowing that Clinton is hanging out in heaven where the streets are made of gold, and there is no pain, fear, and sorrow anymore and he will forever be in the presence of God! My thoughts and prayers are with you and your family.
