August 9, 1998 - April 18, 2016

Connor Julian Thompson August 8, 1998 – April 18, 2016 It is with great sadness that Robert and Tracy Thompson announce the passing of their eldest son, Connor Julian Thompson. Connor's bright blue eyes and beaming smile could shed light in any darkness. He shared his humor, his laugh, and his musical talents with everyone he met. He always gave of his time freely for others in need. Connor was active in many activities during his life to include baseball, basketball, wrestling, Boy Scouts, and the Coweta High School Marching Band. He was a loving son and a caring big brother who never missed an opportunity to spend time with his little brother and sisters for a special date with "Bubba." Connor is survived by his parents, Robert and Tracy Thompson, his brother, Bodie, and sisters, Ali and Lily, grandparents, Doug and Carol Songe, Lawrence and Margaret Ann Thompson, aunt, Lisa Songe, uncle, David Thompson, cousins, Matthew and Meghan Malcom, and numerous other relatives. He is preceded in death by his cousin, Christopher Malcom, and his GiGi. The family would like to thank you for joining us in celebrating his life and mourning his passing. Thank you for sharing your love, your friendship, and your support with us all during his life and through this difficult time. Contributions may be made to the Broken Arrow Elks Lodge, Connor Thompson Memorial Scholarship Fund. Forever, for always, no matter what, we love you dearly. Always do what you want, and say what you feel, because those that matter don't mind and those that mind don't matter. – Dr. Seuss

“ Connor, The first time I met you I was having a really rough day. I really didnt think my day had any chance of getting better and than here you come. This goofy boy that I loved. You were what I imagined the sun in a human body to be like. Bright and beautiful. We were always goofing off about something and by something I mean everything. You really helped me a lot. You encouraged me to write as I pleased and to give life to others and I was so happy to have ever had you in my life. It was so much too see you exceed in things that you wanted to sooo badly. I didnt go to Prom with a date and I didnt get to slow dance with anyone until you walked over and pulled me into this slow dance that was over by ourselves not even on the dancefloor. It was amazing and I laid my head on your chest smiled kissed your cheek and we both said I love you. I miss you desperately and hope to God that you read this. Love, C.M.

“ I can remember the moment that I met you, Connor. It was a Marching Band trip to Owasso, I drove the bus you rode. A cute blonde hair, blue eyed boy with a contagious smile. You said you were hungry, and I just happened to have crackers. You were so sweet when you said "Thank you, Momma." I don't know if you ever really knew my name, you just called me "Momma." From that day on, when I took a trip, I made sure I had crackers or some sort of snacks for you. You were growing up and started driving, but that didn't stop you from coming to the bus after band class to give me a hug or a fist bump, and to say those words, "Hi, Momma." You started working. You were so proud and asked me to come see you at work, which you didn't need to ask because I would have been there. I was so proud of you when you took my order, grinning bigger than ever, and introducing me to your boss and co-workers. I felt 10 foot tall. Every time I passed by, I would look for your truck. Most of the time, if it was there, I would stop for a soda and to say hi. Connor, you will always have a special place in my heart. Thank you for your kindness, your willingness to help, your beautiful smile, and most of all... Thank you for being you!To Connor's Family, I'll continue my prayers that you find peace and comfort in this difficult time.Rest peacefully my friend, Mrs. Julie aka "Momma"

“ Tracy and family, Please know that Zo'e and I are holding you all up in prayer at this time. I cannot even find the right words to express how truly sorry we are over the loss of sweet Robert. What a true blessing he was. Please don't hesitate to call us if you need anything at all or if my Ali girl needs a friend to just sit with. We love you guys very much and are heartbroken over your loss.
