“ I met Connie while working at ORS NASCO. We talked on many occasions while at work and after. I had left ORS in May 2010. Connie had called me and left a message. I had not called her. She was always so strong that I always thought she would be fine. I guess I didn't realize that such a very nice and compassionate person would really be leaving so soon. I recently thought I would friend her on facebook. When there was no answer back from her. I began to wonder. I just want to say your loved one was very special to me and she may be gone. But never forgotten. She was one very kind compassionate person and I am so sad to know that she has left and I was not there for her. May God Bless her family's hearts.

“ I met Connie in the singles group at Kirk of the Hills. She talked me into helping out during the holidays at Store House furniture. I admired her strength of character and commitment to Christ. My world is a little smaller with her passing. I know heaven is a little brighter.

“ Connie was one of the first people I met when I moved to Lincoln. She made me feel very welcome coming from a small town and moving to the big city. She was a constant friend through Jr.High and HS. I have fond memories of the dreams and secrets we shared as teenage girls. So glad to have reconnected with her this past year and being able to catch up on each others lives. My heart goes out to her family and friends at this sad time. May we all find comfort in knowing to she is finally home with her Father.

“ I met Connie at Lincoln Northeast High School. We had classes together and were both on the swim team, she was the student manager. We remained friends after high school and talked about many things. Philosophy, religion, family, work, music, all the normal things. Connie was a good friend, always there for me. I watched her come to know Jesus as her Lord and Savior; and we talked about what God was doing in her life, bringing her into stronger faith, bringing her to a good church where she could grow. So many memories over the years. She taught my kids to swim when we visited her in Tulsa. So many phone calls, so many joys and sorrows shared. You'll remain in my heart forever, part of me, and I'll see you again in the presence of Jesus! Much love to all of Connie's wonderful family and friends!
