“ So shocked, just found out about her passing. One of the most caring , considerate people I've known. If Everyone was just like her it would be a great world.

“ My life is richer for having Cindy in it I am grateful for her friendship, kindness, and example. I am saddened her earthly journey is over but know her eternal journey is not and know she is in a better place and is free from physical suffering. May our fond memories of her brings us comfort.

“ Dearest Cindy, we shared so many talks about life. And they always centered on our faith and hope in our Lord Jesus. Now your faith has become sight. Oh my dear friend, how I loved to share those talks as we encouraged each other to stay the course. Dear Bob, Scott, Amy and all the family, I know this is a great loss for each of you most of all ~ wife, mother, Nena, confidante and friend. What a blessing she was. May you find peace and comfort knowing that her joy is complete freely rejoicing in her love for her Lord. My thoughts and prayers are with you all. With love, Karen King Norman, OK

“ I had the joy of working with and actually meeting Cindy. We shared work talk, lots of giggles and many prayers over the years. My life is all the more blessed for knowing her. While I am so sad now, I know that she is finally free from pain and rests in God's arms...and I know that we will meet again some day. Rest well, sweet friend, you were a joy and blessing to all who were blessed to cross your path.

“ I worked with Cindy. I must say that she was literally one of the most kindest souls I have ever had the pleasure to know in my over 50 years on this earth. This may sound cheesy but I truly feel this way. Please know that you and your family are in my prayers. I know I don't need to pray for Cindy's soul as she went straight up to heaven, by passed the line of other souls waiting and into the arms of our Lord. I am so sorry you no longer have her with you and I pray for your hearts to be at peace very soon. All my love Kelly Weisburg

“ Cindy will be in my heart forever as one of my dearest friends Cindy not only touched my life over 20 years ago, but my children's lives. She has been such a blessing to our family and we have shared so much of our lives together..... She was a true friend and (big sister).

“ This time last year Cindy and I went to out to lunch and to see "Jersey Boys". We had the best time talking over lunch. At the show we sang along and laughed. It was the best time. Later as we drove back she spoke of her illness and how she was going to miss these times with me. I was so fortunate to have known her. I am so sad that we won't get to go to another show together and sing. I have only my memories of being with her and how she made me feel. Rest in Peace dear friend. Heaven has now one of the best angels there is.

“ My heart is just broken, for my own selfish reasons of course. I know Cindy is singing and dancing with joy with her parents and The Lord. Although we only ever saw each other physically a few times, we had an instant bond. I heard many of stories from her that I will cherish forever. Years ago I created her a CD with a few songs that brought her joy and that reminded me of her. One song was a song her daddy would sing to her as a kid (she never knew the title, she said) – I found it; "You can have a song in your heart" (Gaither Vocal Band). And one of her stories was about riding a motorcycle... the CD included Toby Keith's "God Love Her". Not only does God love her, I love her. One more – "When I get where I'm going". She was so happy to know she would be with our Good Lord one day. Already missed my sweet friend!

“ When I count my blessings, my many years of working side-by-side with Cindy have always been towards the top! Some days were more like church, she was always eager to share her faith with everyone who stopped at her desk. And I know I wasn't the only benefactor of that love. Cindy will be greatly missed but I know I'll see her again one day!
