“ I only had the honor of knowing Dale for the past 2 decades through the Engineers' Society of Tulsa and his Facebook page, but came to know him as an excellent professional engineer and wonderful gentleman. He is deeply missed. Thank you for sharing the services by streaming. My deepest sympathy and condolences to Betty and the family. Robert Strattan - fellow engineer and EST member.

“ A great memory of mine is during Thanksgiving and our sons (for the Marine Corp) were joining, in service, and then afterwards. Dale made certain that a special prayer was given on their behalf. Dale , Tom and Phil are the three amigos in heaven now.

“ Pa, I couldn't have asked for a better family and grandfather. There is not enough space on here to say how much you meant to us, and meant to me. Rest in peace, you will be missed more than you can imagine and words can express. Love your 3rd-5th favorite grandson, Dean Dobbs.
