

Danny Osborn

November 3, 1960 - December 23, 2018

Danny Osborn, 58, of Tulsa, Oklahoma succumbed to cancer surrounded by family on Sunday, December 23rd, 2018. Danny is survived by his daughter Christina Osborn, four sons Daniel, Michel, Matthew, and Nickolaus Osborn, and three grandchildren Destany Figart, Zachary Anderson, and Chase Osborn. Danny was a loving Father, Grandfather, and friend to everyone. Danny loved riding his Harley Davidson Motorcycle, always ready for a long ride with the guys. He worked in HVAC for thirty five years, but he was forced to give up the career he loved due to his health. He spent his free time forever tinkering in his garage, making machines breathe new life. He loved spending time with his family that he cherished dearly and entertaining his grandchildren. He also loved to fish, hunt, camp, and above all else, would always help friends in need. A Special Thanks to Clare-House Tulsa for their loving care and support in his final days, the countless medical staff and doctors that helped him fight for ten long months, and the friends and family that showered him with love, support, and time during the twilight of his life.

“ Danny will be sorely missed. I have known Danny since I was 15 years old running around with his boys Danny and Mikey. I had nothing but great respect for this great man doing his best to raise 5 kids on his own for a long time! My sincerest empathy for His Sons and Daughter. My heart breaks as I write this. Go easy Brother!
