“ Some of my fondest memories were snowmobiling with my dad, Justin and his dad. We were just joking about it the other day. Real men taught some real lessons about life on those mountain rides. You are a good man.

“ Worked with "Tex" at WYDOT for many years. Great guy. Did a lot of snowmobiling, and fishing together. Lots of fun to be around. Never played golf with him, he took it to serious. Like to throw his golf clubs in the water, bend them over his knee, kick them down the green all fun and games. He will be missed. Prayers for his family.

“ I loved him so much and already miss him more than words can express. He was a wonderful son and made me very proud to be his mother. In Heaven he isn't suffering anymore and for that I'm glad, but his absence down here has left a void in this mom's heart.
