“ Aunt Debbie I think of you so often even now 6 years later. I looked up to you as I have no other. You always were kind and loving to me and always took an interest in my life. Can't wait until we meet again. Love always, Karen

“ Debbie was a person who brought smiles with her. She enjoyed life. I worked with her at St. Francis until my retirement and just learned of her passing. She showed a true appreciation of those around her. She was honest and out-spoken in the best way. I am so sorry for the loss of a bit of sunlight at such a young age.

“ Debbie is probably has been my friend fotevrr . She was the one that talked to me about the Lord. She was there when the Lord saved me. She had a beautiful voice that she used for her Savior. What a witness she was .. She will be greatly missed. Loved her so much

“ My Aunt Debbie was one of the kindest people you could ever hope to know. She was always kind and wonderful to me, but that's to be expected, because I was family. But I know that those that she knew through work, church and socially, if she loved you, she loved you like family. Because we lived so far away, we didn't get to see one another so much. I will miss her so much. I just sent her Christmas card and I was waiting for hers to come to me, as she always replied. She had a beautiful voice and was very genuine and loved God, so I know she is in a far, far better place than any of us can know. I will miss you Aunt Debbie, gone too soon from our sight, but not from our hearts. I love you. Jay Corbett
