“ I met Donnie when I was sixteen. He and Tom Pinkly use to stop by my house on 'their way to see Mrs. Frick. We lived only a few away feet from her house. I would see them from time to time and visit with these two. I always thought they were a couple of nice guys. I dated Tom for a short while before he through me over for his real girlfriend. That's Ok Tom, I did get over it! They were fun! Cecilia

“ I remember Don from grade school at Eugene Field. We both have the same birthday, Oct. 8, 1938, and always said "we were twins". We both looked up to his brother, Allen, as someone special. Because we both loved to travel it's sad we did not keep in touch. Bill Rose, Owasso
