“ Growing up, we were always welcome at Pa's house. She was Andia's grandma but all of us considered her our grandma as well. She will be greatly missed.

“ Dot Dot, I could never express the gratitude of how much you touched my life, my husband and our son's life. You were always there to celebrate the good times, always there for guidance, and always to set us straight. Because of you we are much better people. We all love you and will miss you deeply. “ Dot, I, along with a lot of other people, are going to miss you and the loving, giving person you have always been. You will never ever be forgotten. Thank you for all the love and care you gave to my grandson and my great nephews. You were one of a kind and they don't make them like you anymore. I will always remember our many years of friendship, the phone conversations we used to have, and all the fun we had bowling together on the Coffee Breakers League. I know you have been reunited with many loved ones including my mother in law and your good friend Velma Jones. To the family, our deepest sympathy. Our hearts join yours in the loss of this beautiful soul. Heaven definitely gained another Angel.
