“ This is the kind of news you never want to hear, but I am trying to have peace with the fact God allowed me to know Glen and to call him my friend. We worked together on bread routes for years and were always close friends. It is a shame that the world has to lose such a good person. I will truly miss him.

“ Uncle Glen you will truly be missed. We were planning that camping trip we were talking about last month. We will miss the camping/fishing trips. One thing is forsure if there is fishing & camping in heaven you are already sitting there with your pole with Aunt Ginny in the cabin getting ready to prepare you a very personal fish fry. Even though we will miss you we know your in a better place free from pain and all the problems of the world. RIP

“ My thoughts and prayers are with the family and friends that hold Glenn so dear to their heart. My association with Glenn was always a pleasant one. During my visits to Oklahoma he made a special effort to spend time with me. I would look forward to sitting down and hearing of his latest ventures, stories of days gone by or conditions of the world in general. I enjoyed his sense of humor, zest for life and especially his gift of "gab". Although at ease and able to express his opinion with most any topic of conversation he also was willing to listen. I know he is in the hands of God and is free of any pain and worry. He will be missed but not forgotten.

“ I have a lot of fond memories of my cousin Glenn. He was a great guy who could tell a great story. To sit around the dinner table after a meal and visit and hear him laugh was a good day. I am sorry he is gone but at least he is with Jenny now. We are sure gonna miss him! We send our love to Tinker and all the family because I know they are going to miss him too.
