“ My mom was the sweetest soul on the face of the earth. She was so very kind to everyone. No matter where she worked or lived, to know her was to love her. I remember as a child that we would be out in some public place (like a grocery store), and one of her kindergarten children would see her, and they would run up and hug her the minute they saw her. She was also one of the smartest people I have ever known. I miss being able to call her and ask her advice on things. I look forward to reuniting with her in Heaven some day, where we will resume great conversations and lots of hugs. She and my dad enjoyed dancing when they were younger, and they were in square dance groups as well as a Ceilidhs dance group (Scottish dancing) that performed at October Fest in Tulsa quite often

“ Such a beautiful lady inside and out. I had the pleasure of meeting her many years ago when I dated her son. She always had a smile on her face and a kind word. My prayers to her precious family.
